

Plano West Senior High School

# Goal Den

Girls Soccer Booster Club

## 2011 - 2012 Membership Form

The Goal Den Booster Club is made up of parents, teachers and community members that support the Plano West girls' soccer program within the UIL and PISD guidelines.

Through fundraising activities such as the sale of memberships and spirit wear, as well as the Mooyah and Sonic Fundraisers, the Booster Club supplements the financial requirements of the team.

The success of the Club and its efforts are dependent upon the full support of the members in terms of membership and participation in volunteer opportunities.

The Goal Den thanks you for your support and anticipates another great soccer season! *Each year our goal is 100% participation!*
